On April 3, 1997, the Public Service Commission of South Carolina ("Commission") issued its Order 97-277 in which the Commission approved a Certificate of Public Convenience and Necessity for Intercontinental Communications Group, Inc. d/b/a ICLD ("Company") to provide intrastate resale and operator assisted telecommunications services within the State of South Carolina. In Order No. 97-277, the Commission also approved a Stipulation ("Stipulation") between the Company and the Consumer Advocate for the State of South Carolina and approved Alternative Regulation for the Company pursuant to the Stipulation and Order Nos. 95-1734 and 96-55.

Order No. 97-277 contains certain scrivener's errors which the instant Order is issued to correct. In the heading on the first page of Order No. 97-277, the order number is incorrectly listed as 96-277, and the date is incorrectly given as April 3, 1996. The correct order number is 97-277, and the correct date is April 3,

1997. On Page 2 through Page 9, the order number is incorrectly stated in the header on each page as 96-277. Again, the correct order number is 97-277.

This Order shall remain in full force and effect until further Order of the Commission.
